Please note that the exhibitor must be registered. Otherwise, the following steps must be completed:

1. Click on “Register”

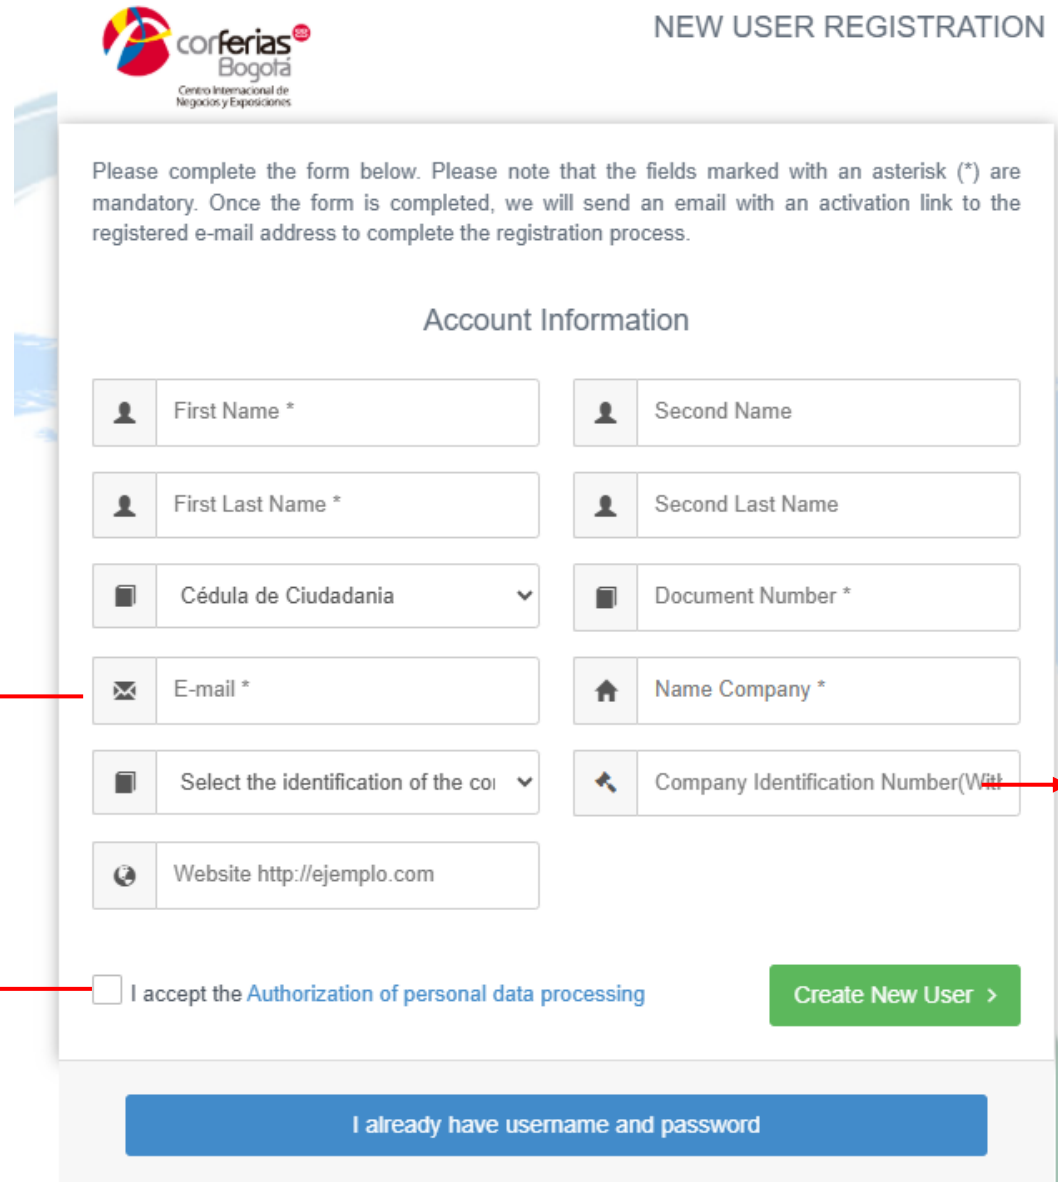

The screenshot shows a login and registration form for Corferias Bogotá. The form includes a logo at the top left, followed by input fields for 'Username' and 'Password'. Below these fields, there is a link that reads 'I don't remember my password, or I haven't activated my account' with a red rectangle highlighting the 'Register' text. To the right of this link are two buttons: an orange button labeled 'ES' with a dropdown arrow, and a green button labeled 'Login >'. At the bottom of the form is a large orange button labeled 'MANUAL ENTRY AND REGISTRATION PLATFORM'. The background of the slide features a stylized map of Colombia with a rainbow arching over it.

2. Complete the user registration form

The email address must correspond to the legal representative or the person responsible for the participation, as provided in the participation agreement.

You must accept the personal data processing authorization.

The Tax ID must be entered without the verification digit and must match the one provided in the participation agreement.

3. After completing the user registration form, it is important to check the registered email to activate the account and access the platform

Click on “Activate Account”

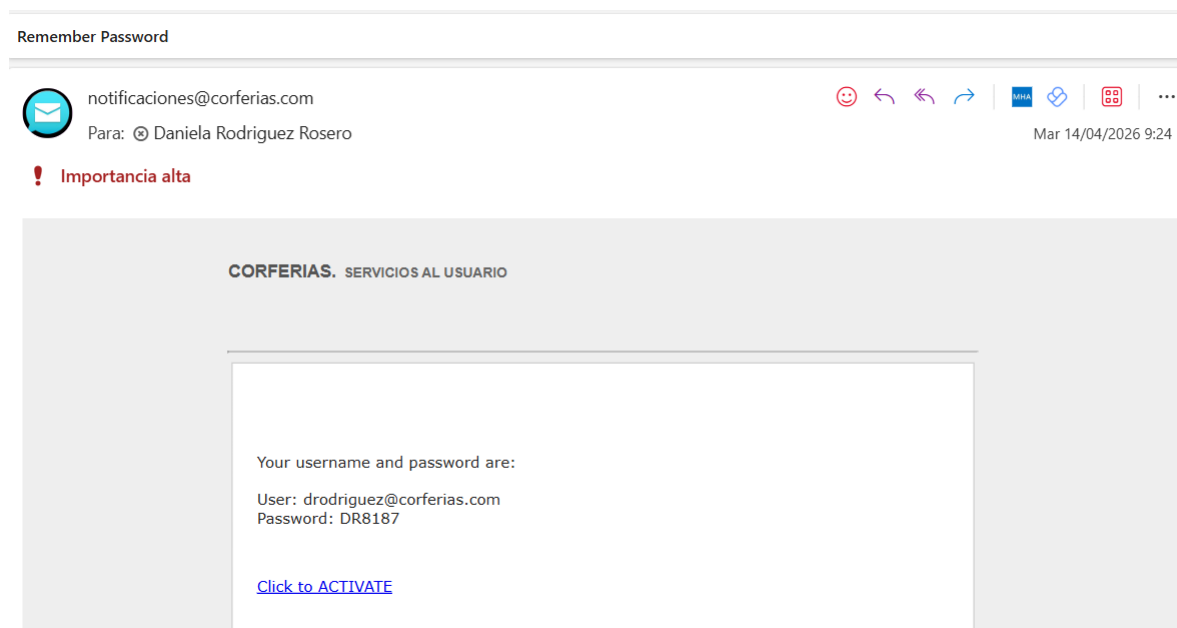

In this email, the user and password will be provided. These credentials must be used when clicking on “Click to activate”, which will redirect you to the Extranet platform login page, as shown below.

After entering the email address, a confirmation message will appear on the platform stating the following:

“A message has been sent to your email with your username and password.”

Please check your email, where you will find your updated password, as shown below.

NOTE: When accessing the platform for the first time, the system will display the annual trade fair calendar. It is important to select the fair in which you are registered as an exhibitor; otherwise, you will be assigned a visitor role.

FERIA INTERNACIONAL DEL LIBRO La Feria Internacional del Libro de Bogotá es el evento de promoción de la lectura y la industria editorial más importante de Colombia y uno de los mas importantes de América latina, en el que cada año, los escritores, los libros y los lectores se convierten en los protagonistas del escenario cultural del país; posicionando a Bogotá como la ciudad que acoge la más importante fiesta de la lectura.
