Invitations and Badges

Badges and invitations according to the contracted area

Depending on the contracted exhibition space, the exhibitor is entitled to a specific number of badges and invitations. Invitations will be delivered starting on the indicated date. Both badges and invitations must be requested through the Customer Service Center and collected in advance so that the exhibitor can arrange the distribution of such invitations.

Rules for the Use of Credentials

- Corferias provides exhibitors and their employees with special badges or identification badges that are personal and non-transferable. These allow them to identify themselves as exhibitors and grant them access to the fair and to any associated privileges to which they are entitled.
- Exhibitors shall be responsible for any fraud or deception attempted or carried out by themselves, their employees, or third parties through the use of such badges or credentials.
- Any improper use by the exhibitor or the exhibitor's employees, or any misuse authorized or tolerated by them, shall entitle Corferias to immediately expel the exhibitor without any compensation or reimbursement of any kind. In addition, as a penalty for such non-compliance, Corferias may retain any amounts paid for participation in the fair and, at its sole discretion, may prohibit the exhibitor from participating in future fairs organized by Corferias.

Invitations and Badges

Exhibitor Badges

These badges are personal and non-transferable and **must be used exclusively by authorized representatives of the exhibiting company**. Each badge must display the company name, the full name of the badge holder, and their official identification number.

Additional Exhibitor Badges

Additional exhibitor badges are identical to standard exhibitor badges and are intended for use when the number of badges assigned to the exhibiting company is insufficient. Exhibitors may purchase additional badges upon presentation of the trade show participation contract. These badges are personal and non-transferable and must include the company name, full name, and identification number of the holder. Each Additional Exhibitor Badge has a cost of **COP 37,000**.

Set-up and Dismantling Badges

These badges are valid exclusively during the set-up and dismantling period and will expire on the first day of the trade show.

They must be worn by personnel responsible for stand construction, assembly, and decoration. **Such personnel shall operate under the supervision and full responsibility of the exhibiting company.**

All set-up personnel must present a safety helmet and valid ARL and EPS documentation (ID card or official registration form) upon entry. Failure to comply with these requirements will result in denial of access to the venue.

Set-up and dismantling badges will be issued without quantity limits, according to the operational needs of each exhibitor.

Dismantling Badges

These badges must be worn by personnel responsible for the dismantling of the stand who do not hold exhibitor badges. They will be issued without quantity limits, according to the exhibitor's operational needs, **upon presentation of the clearance certificate issued by the Pavilion Supervisor** prior to the close of the trade show, provided that the exhibitor has no outstanding foreign trade documentation or pending payments. Dismantling badges will be valid from the day following the official closing of the trade show and for the period assigned for dismantling activities.

Security

- The security services provided by Corferias are general in nature and not exclusive. If your exhibition stand is located in an area that remains open during nighttime hours, you should arrange for a private security service contracted directly by your company.
- Exhibition samples must be insured. If the stand contains technological equipment, whether for operational purposes or as display samples, such equipment must have the appropriate security measures and anchoring systems in place.
- Please note that the informal sale of merchandise and/or the distribution of promotional flyers outside the designated areas is strictly prohibited.
- During periods of large crowds and high visitor attendance at the fair, exhibitors are advised to ensure they have sufficient staff to attend visitors and to strengthen the security measures of their stands.
- Finally, we encourage you to follow the recommendations provided by the Security Department at your stand.

Important

In accordance with the Conditions of Participation, which form an integral part of the Exhibition Participation Agreement, exhibitors are required to strictly comply with the provisions set forth in Section 5.3.1 Safety During Build-up, item C (page 22), and Section 8 Coexistence Rules, item G (page 29), as outlined below:

C. Safety During Build-up

The exhibitor or the person responsible for the build-up must not store, handle, or use flammable, hazardous, or unhealthy substances, nor equipment powered by gas, coal, gasoline, or any other type of fuel that may pose a risk or cause inconvenience within the exhibition halls or the venue. Should the use of any of these elements be required, prior written authorization must be obtained from the Bogotá Official Fire Department and the Corferias Security Department. In such cases, all corresponding safety systems must be duly implemented.

G. Coexistence Rules

The storage or handling of flammable liquids and/or materials, oxidizing agents, fuels, combustibles, explosives, or toxic substances (including, but not limited to, gasoline, diesel fuel, coal, alcohols, pesticides, ethers, industrial detergents, butanol, oils, among others), as well as cylinders containing compressed substances or fluids (such as gas, oxygen, nitrogen, helium, air, etc.), is strictly prohibited within the exhibition venue.

For the entry, storage, handling, and/or use of any of these elements, exhibitors must submit a formal request to the Risk Prevention Office of the Administrative Unit of the Bogotá Official Fire Department, obtain the corresponding technical approval, and present it to the Corferias Security Department for validation.

**Please consult the required documents
to participate in:**

**Documents for exhibitors
Gran Salón Ferretero 2026**

Important Considerations for Your Participation

Please keep the following conditions in mind to ensure a successful and smooth participation:

For structures exceeding 2.40 meters in height or involving any special technical requirement, prior approval from the Setup Management Office is required. You must complete the Render Approval Request Form, which can be accessed through the following link:

**Render Approval
Request Form**

Once completed, the form must be submitted no later than 30 days before the start of setup and sent via email to

VANESSA RENDON / TERESA GÓMEZ

Phone: 601 3810000 ext. 5743

- Exhibitors agree to complete setup within the designated dates, whether the setup is done directly by them or by a third party. Failure to meet these deadlines may result in sanctions as outlined in the rental agreement.
- For dismantling, only the day after the event ends is available. No exhibitor may begin teardown early. If, after the dismantling deadline, the stand remains partially or fully assembled in the designated area, Corferias will remove and store the materials without assuming responsibility for their care or condition.

Note: Please ensure that the merchandise entry form is completed and keep copies of it to avoid any inconveniences.

Important Considerations for Your Participation

Please keep the following conditions in mind to ensure a successful and trouble-free participation:

- The security services provided by Corferias are general in nature and not exclusive. If your exhibition stand is located in an area that remains open during nighttime hours, you should arrange for a private security service contracted directly by your company.
- Exhibition samples must be insured. If the stand contains technological equipment, whether for operational purposes or as display samples, such equipment must have the appropriate security measures and anchoring systems in place.

Important Considerations for Your Participation

- The promotion of products or services is only permitted within the contracted stand area. Any activity carried out outside this area will be considered a brand activation and will incur an additional cost.
- Exhibitors must ensure that all required documentation is up to date. Please note that Corferias is regulated by public authorities such as DIAN, INVIMA, and the Health Secretariat, and is not responsible for inspections carried out by these entities during the trade fair.
- Exhibitors must inform Corferias of any planned activities or shows that may generate crowd gatherings at least one month in advance.
- Please remember that one of the requirements for proper coexistence in enclosed spaces is maintaining appropriate sound levels. These levels must not exceed 45 decibels. Failure to comply with this regulation will result in disciplinary sanctions.

Note: Please ensure that the merchandise entry form is completed and keep copies of it to avoid any inconveniences.

Hardware Store

We are part of

Organizers

What is the Hardware Store?

It is a dedicated space where exhibitors can showcase their brand by providing merchandise, gifts, etc., which will be redeemed by visitors to the fair in exchange for ferrepesos.

How can you participate?

By delivering merchandise, gifts, etc., so they can be exchanged for ferrepesos and thus contribute to the visitors' participation in this activity. To participate, please download and complete the following form:

<https://www.gransalonferretero.com/pdf/Formulario-tienda-de-regaloss.xlsx> send it before October 10 to the following email address: jcamargo@corferias.com

What are ferrepesos?

Ferrepesos are the symbolic “currency” of El Gran Salón Ferretero, which visitors earn by participating in activities and redeem for gifts.

How Are Ferrepesos Earned?

Ferrepesos can be obtained in two ways:

1. By visiting exhibitors' stands. Each exhibitor decides how ferrepesos will be distributed, whether through visits, quotations, purchases, etc.
2. By participating in the games circuit (location to be determined).

Benefits of Participating

- Company logo featured on the main backdrop of the Gift Shop.
- Brand presence in email marketing campaigns.
- Social media post featuring the brand.
